DEFENDANT'S MOTION FOR PROTECTIVE ORDER

Defendant WMACH, LLC ("WMACH"), pursuant to Fed. R. Civ. P. 26(c) and Local Rule 37.1, moves this Court for a protective order prohibiting Plaintiff's expert, Mr. William Norkunas, from inspecting Defendant's property based upon the following:

1. Plaintiff has filed this suit against a WMACH facility known as the Mall at Chestnut Hill (the "Mall"), located at 199 Boylston St., Chestnut Hill, MA 02467.
2. Plaintiff seeks to inspect the Mall allegedly to determine if any non Title III-compliant architectural barriers exist at the Mall.
3. William Norkunas is Plaintiff's purported "expert on Title III of the Americans with Disabilities Act, its regulations and guidelines, and their application to the facilities and businesses that are the subject of the instant lawsuit."
4. As is set forth in more detail in the attached memorandum of law filed herewith, WMACH seeks to prevent Mr. Norkunas from inspecting the Mall since he has already examined the property at issue, and indeed, has already issued his Rule 26(a)(2)

expert report. Because the only reason for Mr. Norkunas to return to the Mall at Chestnut Hill would be to drive up fees and costs, and because Plaintiff's law firm has been sanctioned in the past for this very behavior, the Court should prohibit Plaintiff from engaging in this unnecessary and excessive expense.

WHEREFORE, for the foregoing reasons, as are set forth more fully in the memorandum of law filed herewith, Defendant WMACH respectfully requests that this Court:

1. Grant Defendant WMACH's Motion for Protective Order, and
2. Grant such other and further relief as the Court deems just and equitable, including Defendant WMACH's costs and attorneys' fees for the preparation, filing, and hearing of this motion.

REQUEST FOR ORAL ARGUMENT

Pursuant to Local Rule 7.1(D), Defendant WMACH requests oral argument on this motion.

Respectfully submitted,

WMACH, a Massachusetts limited liability
company
